

2018 Shier Land Project

Harvest is coming!

We are aiming to have the 2018 crop off of the Shier land as soon as the weather cooperates!

Please keep your availability flexible in order to take part in this event!

Harvest will be on a Saturday at 1 p.m. and will include a meal of hamburgers, hotdogs and drinks.

Please bring the family to show your support of this generous project, its sponsors and volunteers!

Thank you to all of our
SPONSORS and VOLUNTEERS!

Please check out the 2018
Land Project on Facebook to be
kept up to date of the Harvest!
